nick's and judy's life

Judy woke up excited she put her uniform on ready to go to the zpd ready to solve case's with nick chief bogo gave the order to solve a murder mystery. that hasn't been solved in 4 month's oh god murder mystery's nick this is going to be so fun Judy said nick yeh so we got to solve this murder mystery about... who got murdered chief bogo

a one year old rhino and a two year old elephant them both were playing in the

apartment they were shot in the head. Judy stooped chief

bogo started crying who could do such a thing like this nick said to Judy carrots we got a case to solve OK...OK oh god im going to need a rabbit espresso after this no Judy that will go around the world like two point million miles per hour just have a rabbit coffee and a chocolate chip cookie ok but we better solve this quick and tell the mum who did it if we find out OK carrots lets get going

Judy and nick head towards there zpd car on there way to apartment. nick said man a baby rhino and a baby elephant wow are you ready to solve this case carrots Judy said no i am upset i heard from chief bogo about this mystery anyway this looks like the apartment this case may take a while to solve said nick.

Judy said yes a week or two it may take us nick he said thats a long time to solve a mystery Judy yeh pretty long but any way as soon as start as soon we can Finnish good cuas i dont want to see blood for 2 weeks and a half. Judy and nick arrived at the apartment were the baby's got murdered well lets get this over and done with hay Judy

yep well i cant wait to see inside.

oh god there's the blood nick said and thats the spot were they got shot i guess said nick Judy was going to cry again but nick had tissue in his pocket thanks nick oh look what murderer left behind him what a gun nick get your tranquilize ready why cuase the murderer might be back soon.

OK nick said Judy are you going to a lot of fun. yeh Judy said hay Judy you should come round mine to have dinner later. OK what time. um...seven thirty. OK nick anyway lets continue we only got two hours left till we've finished are shift said nick.

let's come back tomorrow while the zpd find the finger print's on the gun. later while Judy arrived at nicks apartment hi Judy. hi nick whats for. dinner i dont know what do you want for dinner. um...pizza and carrots. OK carrots coming right up. as soon as i say carrots really nick. yep just relax on the couch Judy feel like home. OK. nick goes to make dinner for Judy while Judy watches TV nick has Finnish doing the dinner here you go Judy thanks nick. Judy tasted a bit of his pizza and carrots

wow this is nice nick nick blushed and said thanks Judy so what are you doing on your day off on next day.

i dont know why are you asking i will tell you why tomorrow. OK said Judy. Judy eat her dinner so did nick they started watching TV the movie they were watching is called shark is death Judy was scared a bit when shark comes out from the water and kills a couple of people after when the movie had Finnish they started getting tired and they started playing a game called rabbit and fox kart Judy won the first couple of times nick won a couple more than Judy.

wow nick you won that game you sly fox. dumb bunny. anyway i should head back to my apartment nick thought he should drive Judy home and catch a train back. hay Judy i should drive you home and i could catch the train back OK nick dives Judy home and cached the train back home before Judy went asleep she texted nick we should that again nick replied yeh we should they both went to sleep Judy woke up and started

texting nick are you up yet. nick replied saying yep i am. OK i will pick you up at seven o'clock. nick replied OK. Judy started driving to nicks apartment Judy arrived and nocked on the door nick answered and Judy said as soon as nick opened the door Judy said are you ready to make the world a better place. nick jumped in horror ah oh god...yes i am Judy laughed hahaha did i make you jump. yes you did. aww you por fox anyway lets go and see how the zpd is doing with the gun.

nick and Judy got the gun and got back to the scene the zpd said the owner for this gun is a male bear he had killed allot of children Judy started ohh god...that bear is going to pay for all the deaths he had caused lets go and get him oh and Judy. yeh. the zpd said he lives in abandoned house up north. nick and Judy got in there zpd cars headed up to the house up north they arrived.

this place looks a bit scary said Judy oh well lets start investigating

Judy get your tranquilizer ready OK nick. nick and Judy opened the door quietly and sneakily head down the corridor Judy and nick heard a sound.

it sound's like the male bear is on the phone Judy turned her head round the corner and she can see a bomb with a stuffed bear and a lot of shot guns and pistols and machine guns Judy phone a sound. Judy put your phone on mute the male bear heard the sound from Judy's phone hello who's there Judy and nick went to the door but the male picked up a pistol and went round the corner and shot nick in the arm and shot Judy by the shoulder before the male bear picked up Judy and Nicholas. Judy called for help. clawhauser get help nick and i are down we are traped in a house up north. the male bear fired another bullet at Judy on the right middle finger he picked up Judy and nick and tied them on the chair five minuets later male bear started tourchering them. you might wont to stop hearting my friend the male bear looked at nick aw your freind told me to stop hearting you how about i break your "knuckles" Judy moaned no pleas stop hearting my friend said Judy. the male bear heard some "sirens" chief bogo slammed the door down and said this is the police put your paw's up the male bear didn't no what to do so he said never chief bogo said this is your final warning come out with your paw's up or we will shoot the male bear had no chance but to hand himself in chief bogo got some other cops to arrest him and chief bogo untied nick and Judy and called the ambulance to take them to the hospital they got a couple of months off from work. nick what was that you were going to ask me. oh yes nick is nervous to tell her but he spat it out would you like to go down city in the restaurant then hang around mine tomorrow. Judy blushed then said yes.

i hope you guys enjoyed part 1 part 2 will be coming soon
